

York County Agricultural Land Preservation Board - Inspection Questionnaire

Landowner(s) contacted:

- 1) Have there been any modifications to the structures on your farm since preservation?
- 2) Have you used your one house right on the preserved land?
- 3) Are you planning to sell your preserved farm?
- 4) Have you made any changes to your deeds that are part of the preserved farm, since the date of preservation?
- 5) Have you been asked to sign any Right of Way agreements?
- 6) Have you made any changes to the land use on your preserved farm since preservation? If yes, explain. Does your current conservation plan reflect those changes?
- 7) Have there been any changes to your agricultural operation since preservation? If yes, explain. Does your current conservation plan reflect those changes?
- 8) Are there any conservation repairs that you have made since the last inspection visit?
- 9) Are you planning to log your woodland this year? Do you have a Woodland Management Plan?
- 10) Does your farm have a Nutrient Management Plan? If yes, who developed this plan? How frequently do you take soil tests?
- 11) Does this farm include any lands enrolled in any federal or state conservation programs or under consideration for those programs? If yes, specify?
